### About Veronica

Veronica was born in the Netherlands in 1947, and as an 18 year old enrolled at the Amsterdam Conservatorium to pursue a 6 year study with Hans Dercksen. She graduated in 1971, and a month later arrived in New Zealand with her husband. A long teaching career followed, and at the same time there were many opportunities to perform, both as soloist and accompanist. She retired from teaching when she turned 65, but has continued performing, still learning many new works, and hopes to be able to do all of that for a long time yet..... together with her lifelong passion for gardening.
